Video Tour of Studio One

Cellar Door
STUDIO ONE

Dimensions | Remember it is wrap-around. So it is effectively larger than it looks.

Virtual Recce of the Studio Floor

9ft White & Black Backdrops, included.
Because sometimes.

4x Bi-Color Adjustable Lights, included.
Chroma already evenly lit for you.

Treated for Sound.
No one likes to hear themselves.

Virtual Recce of the Studio Lounge with Wireless Monitoring

Take a break, conduct meetings, eat and drink. Shout at each other.
Also, a good place to stow clients away.

Get a live feed from your camera on the floor. You can even shout 'Action!' and give feedback using the walkie. While sipping on coffee.

Virtual Recce of the rest of the Studio

While the etymology is still unclear to us, one thing is. Your actors will be happy on camera. Steam press and clothes hanger included.

A lot more to love.

In-House Equipment

Plenty of it. A 6K RAW Cinema Camera, kickass lenses, boom and lapel, sound recorders. And Aputure Lights. All in-house in the studio, available instantly on rent.

Rentals starting from 1-Hr

Well, we've done so much of the legwork already. You might as well be done in a few minutes. And we're open 24x7.

Equipment & Crew Service

In case our in-house equipment is not for you and you need help arranging something else. We have partners. We will arrange. Anything. Anyone. DOPs, Cameras, lights, teleprompters, backdrops, coffee, happiness.

A lot more to love.

Everything a stone's throw

Imagine a studio in a mall. That's kind of what One is. Nirvana Courtyard has salons, restaurants, cafes, pharmacies, boutiques, interior stores, electricians, photocopiers and a couple of cute dogs. Everything a few steps away.

Free Wifi, AC and Electricity

300mbps. Before you ask.

Free Parking

Because.

TV & Digital Commercials

Virtual Events & Conferences

Product Demos, Reviews & Vlogs

Food Photography & Recipes

Interviews & Talk Shows

Fashion Photography & Videos

Online Education & Tutorials

And whatever you can imagine.

READY-TO-ROLL INT. HOME STUDIO

Designed, built and operated by filmmaking professionals, Studio Two is the perfect creation space for anything INT. Home. Housing three stunning sets for living room, kitchen and bedroom - all of which are super customizable and functional for video, Studio Two is tailor-made for you. But beware, it might be mighty hard to go back from here.
